Disposition of Complaint 06-083

Complainant: No. 1282010631A

Judge: No. 1282010631B

**ORDER**

A review of the complaint filed in this matter reveals that the issues raised are solely legal or appellate in nature and do not involve allegations of ethical misconduct.

The complainant purchased a home from a real estate broker and subsequently sued him in small claims court for failing to honor his agreement to make repairs on the home. The complainant lost the case and believes the decision was wrong.

It is clear on the face of the complaint that the complainant is seeking to overturn the judge's ruling. Because the commission is not an appellate court and cannot change a judge's decisions, the complaint is dismissed pursuant to Rule 16(a).

Dated: April 11, 2006.

MAR 21 2006

To the Arizona Supreme Court Commission of Judicial Justice:

I completely disagree with Judge [ ] of the [ ] Justice Court's decision, to dismiss case# [ ] As the plaintiff,

I know that I came to the hearing well prepared on this date, with clear cut evidence, that should have decided this case in my favor, but surprisingly, this judge has made the wrong decision. I also had a credible witness at the time of the hearing, whom should have been given serious consideration by this judge, when deciding this case. The defendant:

[ ] did not live up to his agree-

ment of taking care of my home repairs, when I moved into this home,

back in [ ] This real estate broker has used unethical practices and he should not be allowed to get away with this at all!

During the time of the hearing, while the defendant was speaking, I had pointed out to the judge, that incorrect information was being presented

by the defendant. As this judge was viewing a color photo of my defective home window, as evidence, he even admitted that he would not move

into this home (or a home with a defective window, such as this one),

until the window is repaired. On this date of [ ] I know that justice

was not served and the defendant still owes me [ ] for my home rep-

airs and miscellaneous expenses. He should not be allowed to take adv-

antage of honest people and get away with this. Sincerely, [ ]

[ ]
