State of Arizona

COMMISSION ON JUDICIAL CONDUCT

Disposition of Complaint 06-265

Complainant: No. 1145700341A

Judge: No. 1145700341B

ORDER

The commission reviewed the complaint filed in this matter and found no mis-conduct on the part of the judge. The issues raised are solely legal or appellate in nature. If a judge makes an incorrect ruling or misinterprets motions or evidence, the correct remedy is to appeal to a court with appropriate jurisdiction.

The commission is not a court and cannot change a judge's decisions; therefore, the complaint is dismissed pursuant to Rules 16(a) and 23(a).

Dated: November 7, 2006.

FOR THE COMMISSION

  /s/ Keith Stott
Executive Director

Copies of this order were mailed
to the complainant and the judge
on November 7, 2006.

This order may not be used as a basis for disqualification of a judge.

TO: Commission on Judicial Conduct

[ ]

Dear Commission   October 10, 2006
On Judicial Conduct CJC-06-265   OCT 16 2006
    I wish to File a complaint against [ ]
County Superior Court Judge, [ ]
    For the following reasons.:
        I timely Filed a motion to stay
my Rule 32 proceedings pending Federal Habeas
corpus on [ ] I am Not Filing this
complaint because oF any rulings
    I am not Filing this complaint because of
any ruling. I am Filing this complaint because
Judge [ ] is using his Judicial oFFice to
1. Deny me court access, which he well knows
he has jurisdiction over to have my Rule 32 matter
resolved. He is refusing to address my Rule 32
matter, as a Rule 32 matter, which is plainly stated.
    He is refusing to address my rule 32.9 (a)
motion For rehearing as a rule 32 matter he is
treating it as "a motion for reconsideration"
2. He is ordering me to: "address Future correspondence,
or motions to sentencing judge", when he has to
be aware that the "sentencing Judge" was
recused [ ] because oF questions oF
ethics and unlawful conduct.
3. Judge [ ] is denying me court access
to address my Rule 32 issues by doing these
above stated acts, so I am Filing this complaint

Copy my File   [ ]
