COMMISSION ON JUDICIAL CONDUCT

Disposition of Complaint 10-080

Complainant: No. 0174910203A

Judge: No. 0174910203B

ORDER

An anonymous complainant alleged that a superior court judge delayed rulings. The commission reviewed the complaint and found no evidence of ethical misconduct on the part of the judge. According to the electronic record, the first delay referenced in the complaint involved an affidavit that was not resolved within 60 days because it was not properly filed. The judge promptly addressed the affidavit once it was brought to her attention. There was no evidence of any other delays. The complaint is dismissed pursuant to Rules 16(a) and 23.

Dated: June 14, 2010.
