Disposition of Complaint 11-094

---

Complainant: No. 1315600307A

Judge: No. 1315600307B

---

**ORDER**

The complainant alleged that a superior court judge failed to rule on a pending motion and improperly denied his requests for return of his property. The commission reviewed the complaint and found no evidence of ethical misconduct on the part of the judge. The record shows that the judge issued timely orders as to each of the complainant's motions. Accordingly, the complaint is dismissed in its entirety pursuant to Rules 16(a) and 23.

Dated: July 22, 2011.

FOR THE COMMISSION

Commission on Judicial Conduct,

3/23/11

I would like to file a quite justifiable Complaint on; judge with the Maricopa County Superior Court. Regarding Case No: CR 2005- for numerous violations) of judicial misconduct as well as but not limited to laws being broken: such as 13-2602 (a), 13-2512 (a), 13-2409 (a), 13-2505, 13-2317 (B), 1-2-3-7, 13-2307 (a) (B) and 13-2314.04. Judicial Conduct violations of but not limited to: Rule 81 Canon 1, Canon 2. (a) (B), Canon 3. (B) (2), (5), (7).

In June 2009 The Honorable Gary C. Donahoe ruled to have my property returned. The state April A. Spensel refused. Violation of Rule 33. The judge ruled again on November 16, 2009 to return property within (10) days. Spensel refused again. Then in December he (Hon. Donahoe) ruled again to return property. (3 times).

So my elder parents drove 15 hours to pick up all the property as they were instructed by D.P.S. only to find out the most expensive pieces, jewelry \$250,000 worth are "missing". Some of them family heir looms. I file a motion on May 28, 2010 Requesting the judge

to hold the state (April Spensel) and a D.P.S. detective Kristy Johnson to be held in Criminal Contempt as it would only be just, as well as return the property. Denies it. I'm waiting to receive his ruling because I'm pro per in this case, but nothing. On Nov 22, 2010 I file another motion to find out what's up even though the court should of sent me notification.

I find out months later that he denied my just request. I file another motion through F.L.S. (inmate legal service). I wait a couple months for this motion; order to show cause. Nothing. My P.I. contacts the court to ask if he received my motion they said "no." I file another motion. Order to show cause again with the exhibits showing Judge Donahoe ruling 3 times. Denies it. The state didn't even file any related to any of my motions because they knew what would rule. And nothing good came to mind.

I want a noncorrupt judge to rule on my motions and I want Jones to be disbanded or whatever it is. I also want to file charges on him promptly. He's been covering up corruption and breaking the law. I want the jewelry back or \$250,000. And whatever else you see fit. He should be ashamed of himself for becoming part of this corruption.

Sincerely

My wife;
