Judge: No. 1422710347B

ORDER

The complainant alleged that two superior court judges and a superior court commissioner were rude and made dangerous, harmful, and abusive decisions. After reviewing the complaint, the commission found insufficient evidence to justify further investigation. Whether the judicial officers ruled properly is a legal issue outside the jurisdiction of the commission. Accordingly, the complaint is dismissed in its entirety pursuant to Rules 16(a) and 23.

Dated: September 9, 2011.

FOR THE COMMISSION

Copies of this order were mailed

on September 9, 2011.

This order may not be used as a basis for disqualification of a judge.

This judicial 'System' is a tortuous lie.
It robs people of their freedom, dignity,
and life. I have been treated inhumanely
by many 'Court' practices and people.

Such include a female judge at Scottsdale,
Scottsdale Police Officers & 'crisis' persons,
being yelled at, man handled, forced to breathe &
cry for others purposes, denied the truth,
justice, safety, & protection, etc. This ~~horrid~~
horrid behavior has been repeated & continual
since seeking help for being abused, raped,
stolen from, threatened, & for seeking help & safety
for my children, & for my son seeking help &
safety for himself (he told & was responded to
inhumanely by SCPD & judges, CPS, BIA's, etc.

Being tortured, enslaved & 'disabled,' I was
told to type an Order of Protection
request & write it, & then berated for such
reporting. Commstrs. in the Maricopa County
'system' were also atrocious & made
dangerous, harmful, abusive, etc., decisions &
shouldn't be in office.

were rude & made harmful, inhumane decisions.
The prescribed remedy is negligible at best & allows
people making horrid decisions to continue. The harm

done to me and
my children is
irreparable. Currently
both children are with Kyle Reccan abusive, threatening,
raping, arsonist, liar.
