COMMISSION ON JUDICIAL CONDUCT

Disposition of Complaint 12-061

Complainant: No. 1437210352A

Judge: No. 1437210352B

ORDER

The complainant alleged that a superior court judge improperly characterized the nature of his court filings.

The responsibility of the Commission on Judicial Conduct is to impartially determine if the judge engaged in conduct that violated the provisions of Article 6.1 of the Arizona Constitution or the Code of Judicial Conduct and, if so, to take appropriate disciplinary action. The purpose and authority of the commission is limited to this mission.

After reviewing the information provided by the complainant and various electronic court records, the commission found no evidence of ethical misconduct and concluded that the judge did not violate the Code in this case. The commission does not have jurisdiction to investigate the legal sufficiency of the judge's rulings. Accordingly, the complaint is dismissed in its entirety pursuant to Rules 16(a) and 23.

Dated: April 19, 2012.
