COMMISSION ON JUDICIAL CONDUCT

Disposition of Complaint 12-087

Complainant: No. 1439310960A

Judge: No. 1439310960B

ORDER

The complainant alleged that a superior court judge treated a criminal defendant unfairly by favoring the prosecutor and by failing to timely file rulings on several motions.

The responsibility of the Commission on Judicial Conduct is to impartially determine if the judge engaged in conduct that violated the provisions of Article 6.1 of the Arizona Constitution or the Code of Judicial Conduct and, if so, to take appropriate disciplinary action. The purpose and authority of the commission is limited to this mission.

After reviewing the information provided by the complainant, the commission found no evidence of ethical misconduct and concluded that the judge did not violate the Code in this case. The commission does not have jurisdiction to investigate the legal sufficiency of the judge's rulings. Accordingly, the complaint is dismissed in its entirety pursuant to Rules 16(a) and 23.

Dated: June 7, 2012.

has been the assigned judge
in cases CR-2011 CR-2011 and
CR-2010 and I don't know much
about the law but I believe the judge
should show no favoritism and on several
occasions I have hear Mr. say
in open court that will serve
40 yrs no matter what the court says
and Judge said nothing Judge
has not filed motions and this
not been fair. Mr. wants to represent
himself and told Judge this in
open court but the judge changed his
mind.

I'm sorry I didn't get this mailed right
away but 'mom has been sick and
we were trying to get a court order from
Judge so could visit his mom.
Unfortunately mom died before Mr.
could see her. I blame Judge
because he didn't believe us.
If you have any questions please feel free to
call.
