COMMISSION ON JUDICIAL CONDUCT

Disposition of Complaint 12-249

Complainant: No. 1451510667A

Judge: No. 1451510667B

ORDER

The complainant alleged a superior court judge demonstrated bias against her by making improper rulings and mischaracterizing her conduct.

The responsibility of the Commission on Judicial Conduct is to impartially determine if the judge engaged in conduct that violated the provisions of Article 6.1 of the Arizona Constitution or the Code of Judicial Conduct and, if so, to take appropriate disciplinary action. The purpose and authority of the commission is limited to this mission.

After reviewing the information provided by the complainant along with the court records available online, the commission found no evidence of ethical misconduct and concluded that the judge did not violate the Code in this case. The commission does not have jurisdiction to review the legal sufficiency of the judge's rulings. Accordingly, the complaint is dismissed in its entirety, pursuant to Rules 16(a) and 23.

Dated: October 19, 2012.
