COMMISSION ON JUDICIAL CONDUCT

Disposition of Complaint 13-162

Judge:	No. 1091814707A No. 1091814707A
Complainant:	No. 1091814707B

ORDER

The complainant alleged that a city prosecutor improperly dismissed charges in which he was the victim and that charges pending against him and his brother in superior court should be dropped because they are innocent.

The responsibility of the Commission on Judicial Conduct is to impartially determine if the judicial officers engaged in conduct that violated the provisions of Article 6.1 of the Arizona Constitution or the Code of Judicial Conduct and, if so, to take appropriate disciplinary action. The purpose and authority of the commission is limited to this mission.

After review, the commission found no evidence of ethical misconduct and concluded that the judicial officers did not violate the Code in this case. Accordingly, the complaint is dismissed in its entirety, pursuant to Rules 16(a) and 23.

Dated: July 25, 2013.
