Disposition of Complaint 14-026

Judge:

Complainant:

ORDER

The complainant alleged a superior court commissioner is not responding to her inquiries.

The responsibility of the Commission on Judicial Conduct is to impartially determine if the commissioner engaged in conduct that violated the provisions of Article 6.1 of the Arizona Constitution or the Code of Judicial Conduct and, if so, to take appropriate disciplinary action. The purpose and authority of the commission is limited to this mission.

After review, the commission found no evidence of ethical misconduct and concluded that the commissioner did not violate the Code in this case. The commission does not have jurisdiction to review legal issues. Accordingly, the complaint is dismissed in its entirety, pursuant to Rules 16(a) and 23.
