COMPLAINT AGAINST A JUDGE

Name: _____ **Judge's Name:** _____

Be specific and list all of the names, dates, times, and places that will help the commission understand your concerns. Additional pages may be attached along with copies (not originals) of relevant court documents. Please complete one side of the paper only, and keep a copy of the complaint for your records.

On _____ went to _____ office with no evidence that supported her cause of wanting to file a order of protection against me. She had a text from me to where I said that she was going to go to jail, however she did not give him the complete story.

The last _____ prior tot th _____ violated our court ordered parenting time agreement by with holding my daughter from me. On _____ I pick my daughter up at _____ at _____ home. We have been doing this for _____ years per the court order. My daughter was not there so the police were called and charges were submitted by the _____ police to the _____. We were able to get my daughter _____ hours later and had to drive twice to _____ that day. _____ had taken them _____ without telling me anything or trying to work something out with me.

On _____ she did it again, but this time took my daughter out of state _____ without my permission. We went to pick her up on the _____ and she was again not there. The _____ police were called and they again filled another pending charge against her for violating the court order. The following _____ I went to her home at _____ and asked to pick up my daughter, she would not answer the door. I knocked 3 times.

I then called the _____ police and they came over to try and get this thing taken care of. Officer _____ knocked on the door several times and no answer. As we were talking in _____ front yard she finally came out. After _____ of arguing with the officers she allowed me to take the baby.

This is why she has filled this order against me, she is mad. She has no evidence that shows at anytime I ever threatened her I spoke the facts. She has no evidence over the years that I had ever touched her in any way or hurt her. I have never laid a hand on her, I have raised my voice but that is all.

I am appalled that this judge would allow any person to convince him that this was warranted with the lack of evidence that she presented to him and the fact that she failed to tell him about what she had out our family through over the last _____ weeks.

Every time I have appeared in front of this judge against _____ I have came out on the losing end of things, even after producing justifiable evidence that clearly supported my case.

I graduated with _____ I currently in the running fro several good jobs, having this show up on background checks by employers only hurts my creditability. All of this was based on a lie and by a woman who knows that she is in trouble but has to make something up to try and make me look bad.

I am _____ I took domestic violence serious and fought for those who had been abused in court. I have never even raised my hand to a woman in anger, Shame on this judge for allowing a good looking woman to come into his court crying with no evidence and allow her to do this.
