ORDER

The complainant alleged a superior court commissioner illegally entered an order of protection.

The responsibility of the Commission on Judicial Conduct is to impartially determine if the commissioner engaged in conduct that violated the provisions of Article 6.1 of the Arizona Constitution or the Code of Judicial Conduct and, if so, to take appropriate disciplinary action. The purpose and authority of the commission is limited to this mission.

The commission does not have jurisdiction to review the legal sufficiency of the commissioner's rulings. In addition, the commission found no evidence of ethical misconduct and concluded that the commissioner did not violate the Code in this case. Accordingly, the complaint is dismissed in its entirety, pursuant to Rules 16(a) and 23(a).

I had an of protection in place on _____
and _____ got agains me from _____
a placed a second order of protection with different courts (with out notifving them about first order of protection) where they gave her the order but this time she added _____
when I went to the hearing the judge granted to _____
hearing my testimony and my witnesses, he just relayed on first order of protection .To me this makes no sense, this could mean she can get a new order of protection each month. From my understanding once you file a order of protection it stays for a certain amount of time i come to the conclusion that based on the way the judge grants this to her. So every month she can get new order of protection and ruin my life.
_____ and because of her made up stories with out any prove this is effecting _____ and causing me damages.
I consulted with my lawyer,where he told me it is illegal to get second order of protection if one already is in place.I believe there should be further investigation on her and Judge. It is completely illegal to serve me with any further orders especially if the court has not notified me. I like to remove second order of protection _____ and keep first one _____ in place because it is not justified and makes no sense what so ever.

Thank you for your time.
