**ORDER**

The complainants alleged a justice of the peace made erroneous rulings and improperly failed to transfer their appeal to superior court.

The responsibility of the Commission on Judicial Conduct is to impartially determine if the judge engaged in conduct that violated the provisions of Article 6.1 of the Arizona Constitution or the Code of Judicial Conduct and, if so, to take appropriate disciplinary action. The purpose and authority of the commission is limited to this mission.

The commission does not have jurisdiction to review the legal sufficiency of the judge's rulings. In addition, the commission found no evidence of ethical misconduct and concluded that the judge did not violate the Code in this case. Accordingly, the complaint is dismissed in its entirety, pursuant to Rules 16(a) and 23(a).

This court has done nothing but lie.  
One clerk after another.  
My rent has been paid to the court.  
The court was to hold all rent and send the case to  
Instead I was misled by all clerks and Judge.  
The rent was disbursed.  
The case was never sent to  
Instead the Judge signed an order created by attorney signed in '     '. Judge, attorney and clerks never read the document they issued.

This court and attorney are corrupt.

The                    has a bond that needs to be exonerated and I am demanding my funds back immediately.

I went to get a copy of the case and the clerks refused to give me copies.  
The clerk said the case was sent to  
I went to the                    with                    they never received anything.  
The court lied again.

Someone needs to audit this court and find out how they are dealing with the case.

Look at the order that was signed!!!!!!!!!!!!!!!!!!!!

I am holding this court and                    responsible for all the money that I paid them. They even overcharged my rent by \$                    each month.

All this was totally in favor of the Plaintiff.  
The motions I filed were never addressed, denied or approved.
