**ORDER**

The complainant alleged a superior court judge was biased against her and issued erroneous rulings.

The responsibility of the Commission on Judicial Conduct is to impartially determine if the judge engaged in conduct that violated the provisions of Article 6.1 of the Arizona Constitution or the Code of Judicial Conduct and, if so, to take appropriate disciplinary action. The purpose and authority of the commission is limited to this mission.

The commission does not have jurisdiction to review the legal sufficiency of the judge's rulings. In addition, the commission found no evidence of ethical misconduct and concluded that the judge did not violate the Code in this case. Accordingly, the complaint is dismissed in its entirety, pursuant to Rules 16(a) and 23(a).

**COMPLAINT AGAINST A JUDGE**

Name: \_\_\_\_\_ Judge's Name: \_\_\_\_\_

**Instructions:** Use this form or plain paper of the same size to file a complaint. Describe in your own words what you believe the judge did that constitutes judicial misconduct. Be specific and list all of the names, dates, times, and places that will help the commission understand your concerns. Additional pages may be attached along with copies (not originals) of relevant court documents. Please complete one side of the paper only, and keep a copy of the complaint for your records.

(I APOLOGIZE, I HAVE ASKED MY ATTORNEY FOR COURT DOCUMENTS BUT I HAVE NEVER RECEIVED THEM. I AM HOPING YOU CAN RETRIEVE THEM ON YOUR END.)

To whom it may concern,

Please know that I was very hesitant on coming forward complaining because I was told my attorney that would \_\_\_\_\_ and I was afraid but so many thing have not been right or fair and this case has gone on over a year and the same thing is continuously happening in this courtroom.

Personally I do not know \_\_\_\_\_ and I am sure she is a fine and nice person but in the courtroom she does not display order nor does she know what is going on. It is more like a allowing the opposing party to run and call the shots and being bias toward me and my attorney without knowing or wanting to hear the facts. I thought a judge was supposed to be non-bias in making decisions and there has been mini hearings where I and my attorney were not invited and decisions made without us being there.

My attorney who witnessed the bulk of this has informed of the tight bond that is in this system and warned me about reporting things. Yet, at this point, I feel the worse has already happened and I have nothing else to lose. I am aware by me coming forward that I can lose custody and rights of my kids but I know deep in my heart I must be the first to stand for what is right. Below is the order of sequence that these actions have taken place.

1. \_\_\_\_\_ was in contempt of court when \_\_\_\_\_ ordered only a child \_\_\_\_\_ be done by \_\_\_\_\_ because she did not want to disturb the children; yet \_\_\_\_\_ and apprehend the \_\_\_\_\_ children \_\_\_\_\_ from their Guardian's custody. \_\_\_\_\_ submitted a "quash" motion for this because no one knew that it was even ordered to pick up in which it wasn't and when \_\_\_\_\_ tried to state that \_\_\_\_\_ were in contempt, \_\_\_\_\_ did not want this documented on court order until \_\_\_\_\_ insisted on it. (

2. The children were switched from home to home on several occasions without the \_\_\_\_\_ consent or knowledge nor was she aware of the injuries or physical abuse that was going on in the other homes.

3. \_\_\_\_\_ ordered that my youngest child \_\_\_\_\_ get overnight visits with his father whom he lied and stated that he never knew allowed me any visits from the child when I provided proof that we had email conversations and communications and she ignored this and stated that I purposely kept information from the court when I told her that he never responded to me but she did not want to

to hear it.

4. A secret hearing was held in which the father got custody over my youngest child me nor my attorney was aware of this hearing nor were we present when this was ordered.

5. An \_\_\_\_\_ was requested but never done.

6. \_\_\_\_\_ opens ridicule and puts down the fact that I have " a lot of kids with a lot of different fathers" She openly reveals personal business in the courtroom/

7. Without looking at the case history or facts of the case, she agrees with whatever \_\_\_\_\_ states without knowing that I have done that requirement three different times. She does not know what is going on sometimes in the court rooms and makes judgment without knowing about the facts or seeing the documentation. More so hearsay and she gives \_\_\_\_\_ full pardon and full lead in the courtroom when they are not presenting current information or they are going on their "feelings" and not fact or records from reports and \_\_\_\_\_ goes right along with it.

\_\_\_\_\_ and finished it \_\_\_\_\_ and completed it and \_\_\_\_\_ and completed it and \_\_\_\_\_ never saw the report and ordered more counseling. I reported this to the \_\_\_\_\_ and I have submitted the emails to this.

Conclusion is that \_\_\_\_\_ is not aware most of the time of what is going in the courtroom and she relies heavily on \_\_\_\_\_ to bring her up to speed and is bias on everything they say and do even though their information is not correct or accurate. They mislead her and disregard her in making their decisions without her consent and she does not do anything about it.

Like I stated earlier, this is nothing personally against \_\_\_\_\_ is just that the lack of facts and follow thru on the truth is severely affecting me and my children's livelihood and it is definitely not fair.

Sincerely,
