COMMISSION ON JUDICIAL CONDUCT

Disposition of Complaint 17-121

Judge:

Complainant:

ORDER

The complainant alleged an appellate court judge made improper rulings in a probate case.

The responsibility of the Commission on Judicial Conduct is to impartially determine if the judge engaged in conduct that violated the provisions of Article 6.1 of the Arizona Constitution or the Code of Judicial Conduct and, if so, to take appropriate disciplinary action. The purpose and authority of the commission is limited to this mission.

The commission does not have jurisdiction to review the legal sufficiency of the judge's rulings. In addition, the commission found no evidence of ethical misconduct and concluded that the judge did not violate the Code in this case. Accordingly, the complaint is dismissed in its entirety, pursuant to Rules 16(a) and 23(a).

Commission member Peter J. Eckerstrom did not participate in the consideration of this complaint.

①

talked with us to see if we could come to and talk to another Judge & we decided that might help a lot so we flew down to be at a meeting with + Judge. separated " I from and after hrs then told us"

② A text was Judge - STOP - let me interrupt - because I have to come with tons of paper work since beginning so I will show the dates just put my complaints down.

② B - To continue we liked Hon but there was several points Big Time I asked Hon could I still bring one page to show him. His Answer

Judges in Appeal his answer for some question so Courts refused me but on Hon 1st Day. spoke up " Hon said Will I thought I'm from " it will be next time to bring my very important for me to " so you'll all know its family talking also 1st Day you were so rushing every time he begins his time but on. Atty he talked on without your pressure. talked for me because I had a

terrible accident (no one was harmed) only me because the airbag exploded & I really had burns on 2 arms, 5 teeth broken, pure loss of eyes & windshield covered. I didn't want anyone in Court know that that's why I stayed quiet but you caught it right away! So I thank you for even asking & I tried to let it slide. There was too many days & our excellent atty said you should have finished the first day but you dragged it on. Your schedules were

You don't think we were good people to adjust to your time even when I thought you were wasting a lot of nothing re our parts that had - money being lost to the one hit! + you didn't care

Complaint against the judges + I said to each other we

#1 The first thing could tell all of you would not read anything about our exhibits So we're not attorneys just people # educated + smart to see a being cheated when

outsourced all of your let the to NOT SHOW you and other losses that she could blame others on. None The terms of Re state of you ment

the with she wanted all to herself + pay all her Bills for lawyers Judges never thought those exhibits have no proof, & of course none in money we never saw except *our FORMS* our money Family was disappearing every year we got it.*

The sale of the House was the biggest shame of business handling ever + had his absolute terms standing straight out on how to handle any sales, his Bank accounts + the people's names he had for me. With only left his would be there to help & once since was not welcomed by at all - NO phone to her, don't visit her + NO on everything with by attorneys + their effort was always delayed + called our exhibit FRIVOLOUS, an Attorney & - every way he could run us down. Here's how he took 1 upset.

bought 1 item + overnight LOST all purchase and another MISTAKE between year got the reimbursed by

How would you Judges like all these upset monies? answer was on. he used words I could never forget

Quite often his attor work sounds like gangster style not a bit as proper as Back to you, Judge, on your lay of. we ignored your attempt that was not important - at my house families left the homes they were resting because they lost their jobs + no money to keep up the house expense. So crazy amount didn't me anything to her cheating on selling the house thru only!!!

#2 On my house, the appraiser went down to 40x
appraisal's went down to almost on sales. So we
thought hour just a waste, re our claim. That was a really
built home built was over doing all
she could on Sales. Her mistakes are days work of making
sense at all. #3 You never considered Judge survival
of food, hotel, car use Airline Cost, Mailing Stamps etc.

#4 Every time you came back to start our points (
you again cut his time, you talked lower sence I couldn't
hear you (we were all sitting near door, I couldn't ^{hear} your words
& I didn't care anyhow & only hoped you would see our
points. You never gave us an answer until you figured other
in appeal & here comes your REMAND that finished
off you with us so NOW you KNOW. Once again all
of you Judge have the PROPER ANSWER & the
pages need Copies so here again my cash to prove you are
WRONG. SAVE all of yourselves, read the Bible & see
what God does when Rightousness needs done on this TRUST
so each of you pay plus of charged to me
& we will forgive you all & never let the public ^{KNOW} what you
did for us. Everyone including me & made mistakes
but NOT the kind like you to hurt a truthful
