COMMISSION ON JUDICIAL CONDUCT

Disposition of Complaint 17-219

Judge:

Complainant:

ORDER

The complainant alleged a superior court judge, now retired, was biased against him and made improper rulings in a criminal case.

The responsibility of the Commission on Judicial Conduct is to impartially determine if the judge engaged in conduct that violated the provisions of Article 6.1 of the Arizona Constitution or the Code of Judicial Conduct and, if so, to take appropriate disciplinary action. The purpose and authority of the commission is limited to this mission.

The commission does not have jurisdiction to review the legal sufficiency of the judge's rulings. In addition, the commission found no evidence of ethical misconduct and concluded that the judge did not violate the Code in this case. Accordingly, the complaint is dismissed in its entirety, pursuant to Rules 16(a) and 23(a).

Commission member Margaret H. Downie did not participate in the consideration of this matter.

Would you please serve these new documents listed as a new complaint against _____
I would like to strip
of that black dress permanently as the
Az Supreme Court can not, nor will not ever
call him back on any case even if it's only temporary,
which they can according to the statute,
but also to tap into that retirement that he gets,
for the murder of my wife on _____ All, because
of his prejudice attitude - Conspiracy to
Commit Murder in the 1st Degree, there is no
statute of limitation for murder, which is a
life sentence with the min of years of 25 yrs.
I'm also going after his retirement money per
Ariz Statute. You all are a bunch of attorneys
so read the statutes, I have.

2017-219

Now, let's see if you are all willing to protect this and go down with him as well,

As you know I have been filing against for years trying to do this with your help, but here you have been protecting him, so that means that you are just as guilty as he is, Thank you.

Sincerely;

This deliberate bias, prejudice attitude towards this particular Petitioner because this Court can, because of its total disrespect for the law.

Therefore, this Appeal to the Arizona Supreme Court should be accepted as being true and granted in order to state a claim, pursuant to §12-111; §12-401 et seq; §12-541; §12-542; §12-1182 et seq; §12-2101; §12-2102 et seq; §13-116 et seq; §13-411 et seq; §13-1003 et seq; §13-702 et seq; §13-1202 et seq; §13-3967 et seq; and §31-251.01 et seq. for the foregoing reasons as stated, shall be granted in its entirety, in the interest of justice, fairness and with due process and equal protection of all the laws.
