

State of Arizona
COMMISSION ON JUDICIAL CONDUCT

Disposition of Complaint 17-234

Judge:

Complainant:

ORDER

The complainant alleged a justice of the peace discriminated against her and improperly suspended her driver's license.

The responsibility of the Commission on Judicial Conduct is to impartially determine if the judge engaged in conduct that violated the provisions of Article 6.1 of the Arizona Constitution or the Code of Judicial Conduct and, if so, to take appropriate disciplinary action. The purpose and authority of the commission is limited to this mission.

The commission does not have jurisdiction to review the legal sufficiency of the judge's rulings. In addition, the commission found no evidence of ethical misconduct and concluded that the judge did not violate the Code in this case. Accordingly, the complaint is dismissed in its entirety, pursuant to Rules 16(a) and 23(a).

Judge [redacted]

Dear Arizona Commissioner of
Judicial Misconduct;

I am writing due to
discrimination in regards
to [redacted]

I am guilty of [redacted]

However

I spoke with [redacted]
Court and after turning in
the required documentation I
was set up on a payment
plan of \$ [redacted]

Since then due to my current
employment of being a [redacted]
my income is not steady.
I informed the courts and
in turn my license was

Suspended due to non-payment, however, that was taken care of on [redacted] with a double payment to clear up the missed payment.

I have contacted the Courts several times to only be told that I can't contact them via email any longer or speak about this matter. I was advised on [redacted] by [redacted] as well as Judge [redacted] and advised I would not be granted a court abstract, even though I had already submitted the paperwork required to have a payment plan approved, which would include the proof of registration and insurance. In order for the abstract to be approved I would have to submit the entire amount of the fine.

The only correspondence I have is a copy of an

Explanation of the suspension
of my [redacted] drivers license.

I am not able to retrieve
anything from email and
have submitted a signed
letter to [redacted] of release of
information which I still
have not received.

I'm not arguing the fine
which will be paid as
long as I have funds
but the suspension of
my license since I did
the required work and contact
of payments being missed due
to lack of funds.

In hopes of a resolution,
[redacted]
