Disposition of Complaint 17-259

Judge:

Complainant:

ORDER

The complainant alleged a superior court judge failed to allow him to be heard and failed to appoint him effective counsel in a criminal case.

The responsibility of the Commission on Judicial Conduct is to impartially determine if the judge engaged in conduct that violated the provisions of Article 6.1 of the Arizona Constitution or the Code of Judicial Conduct and, if so, to take appropriate disciplinary action. The purpose and authority of the commission is limited to this mission.

The commission does not have jurisdiction to review the legal sufficiency of the judge's rulings. In addition, the commission found no evidence of ethical misconduct and concluded that the judge did not violate the Code in this case. Accordingly, the complaint is dismissed in its entirety, pursuant to Rules 16(a) and 23(a).

Commission member Anna Mary Glaab did not participate in the consideration of this matter.

Everyone has a chance to talk in court - when my turn come - If I try to make a truth hearing to everyone in court (oppressed me)

By increase security' oppressed me and kicked me out of the court room, the case was going on for over a year But I never got a change to make truth hearing before and prosecutor. I has wrote letter to prosecutor asking for consideration to dismiss the case because of false Allegation from investigation. But, (Mishandle) signed order trap prosecutor response to me - While was knowing I am innocent extremely unfair - try to cover up the truth misconduct ~~during~~ occurring prior to or during service as judge.
