COMMISSION ON JUDICIAL CONDUCT

Disposition of Complaint 17-297

Judge:

Complainant:

ORDER

The complainant alleged a superior court commissioner improperly ordered a competency evaluation.

The responsibility of the Commission on Judicial Conduct is to impartially determine if the commissioner engaged in conduct that violated the provisions of Article 6.1 of the Arizona Constitution or the Code of Judicial Conduct and, if so, to take appropriate disciplinary action. The purpose and authority of the commission is limited to this mission.

The commission does not have jurisdiction to review the legal sufficiency of the commissioner's rulings. In addition, the commission found no evidence of ethical misconduct and concluded that the commissioner did not violate the Code in this case. Accordingly, the complaint is dismissed in its entirety, pursuant to Rules 16(a) and 23(a).

Commission members Art Hinshaw and Anna Mary Glaab did not participate in the consideration of this matter.
