

State of Arizona
COMMISSION ON JUDICIAL CONDUCT

Disposition of Complaint 19-052

Judge:

Complainant:

ORDER

The Complainant alleged an appellate court judge improperly denied his right to self-representation, failed to appropriately supervise a subordinate judge, and improperly converted a special action into a petition for review.

The role of the Commission on Judicial Conduct is to impartially determine whether a judicial officer has engaged in conduct that violates the Arizona Code of Judicial Conduct or Article 6.1 of the Arizona Constitution. There must be clear and convincing evidence of such a violation in order for the Commission to take disciplinary action against a judicial officer.

The Commission does not have jurisdiction to overturn, amend, or remand a judicial officer's legal rulings. The Commission reviewed all relevant available information and concluded there was not clear and convincing evidence of ethical misconduct in this matter. The complaint is therefore dismissed pursuant to Rules 16(a) and 23(a).

Dated: May 22, 2019

Copies of this order were distributed to all appropriate persons on May 22, 2019.
