

State of Arizona
COMMISSION ON JUDICIAL CONDUCT

Disposition of Complaint 19-079

Judge:

Complainant:

ORDER

July 10, 2019

The Complainant alleged a superior court commissioner failed to report attorney misconduct and was biased against him.

The role of the Commission on Judicial Conduct is to impartially determine whether a judicial officer has engaged in conduct that violates the Arizona Code of Judicial Conduct or Article 6.1 of the Arizona Constitution. There must be clear and convincing evidence of such a violation in order for the Commission to take disciplinary action against a judicial officer.

The Commission does not have jurisdiction to overturn, amend, or remand a judicial officer's legal rulings. The Commission reviewed all relevant available information and concluded there was not clear and convincing evidence of ethical misconduct in this matter. The complaint is therefore dismissed pursuant to Rules 16(a) and 23(a).

Commission member George H. Foster, Jr. did not participate in the consideration of this matter.

Copies of this order were distributed to all appropriate persons on July 10, 2019.

First off, I file and complaint against this Judge with the first lawyer given for my case here with this Commission. ON The lawyer pushed me in Judges back room before two Jail guards, by only going by the of the reports, his own investigator stood up for me and told my you haven't even looked at his paperwork yet or done anything. So I ask to him before Judge. He got mad at me called me down totally incoherent and stated this court does not have time to single me out - This was total abuse of prestige - Rule 1.3 and Rule 2.2 Impartiality and Harassment. After that it was known at Jail by these Jail house guards I was beat up by other inmates. Sent to hospital with lip split open and stitches put in. Kept on back down for over 6 weeks.

Next I was appointed and new attorney she has had my case for over a nevered answered any letters of communication. Was her phone blocked where I can't call got mad at me because I wrote this Judge asking and telling this. He (the Judge) stated I need to work with my attorney, she was mad because the investigator that was supposed to be hired for my case - she has to pull him off her other cases to work on mine -
