COMMISSION ON JUDICIAL CONDUCT

Disposition of Complaint 20-088

Judges:

Complainant:

ORDER

July 2, 2020

The Complainant alleged a pro tem justice of the peace was biased against her in a protective order proceeding. The Complainant also alleged a superior court judge made false statements about her in a lower court appeal.

The role of the Commission on Judicial Conduct is to impartially determine whether a judicial officer has engaged in conduct that violates the Arizona Code of Judicial Conduct or Article 6.1 of the Arizona Constitution. There must be clear and convincing evidence of such a violation in order for the Commission to take disciplinary action against a judicial officer.

The Commission does not have jurisdiction to overturn, amend, or remand a judicial officer's legal rulings. The Commission reviewed all relevant available information and concluded there was not clear and convincing evidence of ethical misconduct in this matter. The complaint is therefore dismissed pursuant to Commission Rules 16(a) and 23(a).

Copies of this order were distributed to all appropriate persons on July 2, 2020.
