COMMISSION ON JUDICIAL CONDUCT

Disposition of Complaint 20-121

Judge:

Complainant:

ORDER

July 16, 2020

The Complainant alleged that a superior court commissioner issued biased and incorrect rulings in a child support enforcement matter.

The role of the Commission on Judicial Conduct is to impartially determine whether a judicial officer has engaged in conduct that violates the Arizona Code of Judicial Conduct or Article 6.1 of the Arizona Constitution. There must be clear and convincing evidence of such a violation in order for the Commission to take disciplinary action against a judicial officer.

The Commission does not have jurisdiction to overturn, amend, or remand a judicial officer's legal rulings. The Commission reviewed all relevant available information and concluded there was not clear and convincing evidence of ethical misconduct in this matter. The complaint is therefore dismissed pursuant to Commission Rules 16(a) and 23(a).

Commission member Louis Frank Dominguez did not participate in the consideration of this matter.

Copies of this order were distributed to all appropriate persons on July 16, 2020.

The distinguishing feature of these individuals is that they have NEVER been issued a support arrest warrant. Please consider this again, along with the personal messages, letters, and complaints my children have submitted to the Court, to CJC, and the AZ State Bar describing the harshness of _____ and requests to remove her from office and freedom from this cycle. This is what the CHILDREN request. Are we acting in their best interest by setting a new purge/warrant minutes after clearing a previous one - there is no relief from obvious ABUSE OF DISCRETION and OPEN ABUSE TO ME.

willfully
and a min
wage job
will not
satisfy
super-high
purges.

The average hunt takes months, in a good economy, take a minimum wage job you say? I will be / have been accused of UNDER EMPLOYMENT

The purge amounts have been extortionist, and I believe illegal. Nobody comes out of jail with a [annual] position, able to start work the same day, and it is really an abusive position to state, in an order, that this is the way of the world, you are being jailed because is not reality based and outrightly abusive, violating 1983 US Supreme Court orders that one cannot be jailed unless it is willful. Her actions and disregard of basic facts, March ruling at good faith payments eg: was paid, purge is set moments later for an additional [eg: after] [in support] including a payment not required, voluntarily given, a purge of [is set]. Do some basic math, again. This would require I come out of jail with a [position, the same day -] [payments] [in payments]

That's a position, equivalently of almost The child support calculation does not have my income anywhere near that, so this is not followed in any meaningful way. This is abusive.

Again most recently, my was met with a random, erratic payment, ordered, increasing (not notified) and the children outspoken about it not in their best interests. We all request be removed, per our letters/complaints

To order a purge (again) 2. arrears total)
Not provide notification of change in purge in any
documentable form, fail to provide notice in any form
written or not, and be jailed for complying with
the Commission on Judicial Conduct only written order for purge

ever encountered is, by far, the most egregious and egotistic judge I have

Meanwhile \checkmark gets me jailed.
My children are terribly hurt, as they have voiced in their own words, and do not agree.
This is not rehabilitative in any form but reactive of punishment and vindictiveness.
To pay + and be less than in arrears, a warrant is hostile aggressive.
Your laws, or application of the law inappropriately, when a payment is "rewarded" with jail, when a payment is "rewarded" with jail, you can see mercies are cruel at best. The ability to pay and efforts to pay are not considered - for me case.
A number is a number is a number; which is so strange because I sat with a lady owing me \$ in back support - Her purge?
I sat with a man owing +.
His purge?

lack of objectivity

These abnormalities must be addressed, my purge consistently being close to arrears total.
The rigid nature of this Commissioner, and the application of purges and support must have review for County S.C. to be an ethical, family oriented court, rather than mercenarial, money driven by increasing attorneys fees, costs, which paying parents and children 2 recipients could otherwise greatly benefit from. A horrible, destructive, archaic, non-forward-thinking policy: keep attorneys employed and keep paying parents jailed.
