**ORDER**

August 20, 2020

The Complainant alleged that a superior court judge was presiding over an early disposition court that violated his constitutional rights.

The role of the Commission on Judicial Conduct is to impartially determine whether a judicial officer has engaged in conduct that violates the Arizona Code of Judicial Conduct or Article 6.1 of the Arizona Constitution. There must be clear and convincing evidence of such a violation in order for the Commission to take disciplinary action against a judicial officer.

The Commission reviewed all relevant available information and concluded there was not clear and convincing evidence of ethical misconduct in this matter. The complaint is therefore dismissed pursuant to Commission Rules 16(a) and 23(a).

Commission members Colleen E. Concannon and Louis Frank Dominguez did not participate in the consideration of this matter.

Copies of this order were distributed to all appropriate persons on August 20, 2020.

ATTN: Arizona Judiciary Committee

I am writing this letter to lodge a complaint and bring to light a gross violation of civil and constitutional rights going on in the \_\_\_\_\_ county superior courts in \_\_\_\_\_ AZ a; so the violation n conducting what they call " \_\_\_\_\_ court ". In \_\_\_\_\_ you are given a court date \_\_\_\_\_ days after being charged where you are handed a plea and threatened with a stiffer sentence if you refuse. There is no appointed attorney fir the defendant in many cases. Lastly, there is no discovery given. The county attorney does not even have any police reports. All of this is presided over by Judge \_\_\_\_\_ He is present on court during all of this.

I am just one voice of many trying to bring to your attention the corruption and injustice that is given to the public, the residents and countless others in \_\_\_\_\_ County I have also written letters to the Bar Association, the Attorney General for the U.S and the Department of Justice and the Governor. Please I am asking for a formal investigation.

Resnertfully
