

State of Arizona
COMMISSION ON JUDICIAL CONDUCT

Disposition of Complaint 20-151

Judge:

Complainant:

ORDER

August 20, 2020

The Complainant alleged that a municipal court judge made incorrect rulings in a protective order proceeding.

The role of the Commission on Judicial Conduct is to impartially determine whether a judicial officer has engaged in conduct that violates the Arizona Code of Judicial Conduct or Article 6.1 of the Arizona Constitution. There must be clear and convincing evidence of such a violation in order for the Commission to take disciplinary action against a judicial officer.

The Commission does not have jurisdiction to overturn, amend, or remand a judicial officer's legal rulings. The Commission reviewed all relevant available information and concluded there was not clear and convincing evidence of ethical misconduct in this matter. The complaint is therefore dismissed pursuant to Commission Rules 16(a) and 23(a).

Commission members Colleen E. Concannon and Louis Frank Dominguez did not participate in the consideration of this matter.

Copies of this order were distributed to all appropriate persons on August 20, 2020.

A hearing was held in courtroom _____ Municipal Court-for an Order of Protection
I presented Judge _____ with written-documented evidence in the form of an Arizona State
Prison Record-and _____ County Sheriffs Office-Mugshots showing that the Plaintiff:
has spent the majority of her adult life in a Dishonest Lifestyle and proving that the Plaintiff had just been
released from incarceration _____ from the _____ Womens Prison after serving a sentence for
Fraud and Theft-Judge _____ being the bad Judge that he is-ignored my evidence and
accepted whole heartedly the word of mouth/hearsay complaint of the Plaintiff _____ she
presented no physical evidence-no fingerprints-no witness was physically present to cooberte the
actions which I was being accused of allegedly committing-their was no video evidence to warrant the
Plaintiffs request for an Orderof Protection-the plaintiff did not present any records of being seen in an
emergegyency room or any medical records from a physician to substantiate the physical harm I was
allegedly supposed to have caused the Plaintiff: _____ Judge . _____ claimed he
was making his decision based upon the Preponderance of the evidence as if we were in Justice Court- I
percieve that in any court above the Justice Court a decision made by a Judge-should be based on-
Innocence until evidence proven beyond a shadow of a doubt- I may be wrong but that is my perception-I
percieve that I had presented substantial enough evidence to prove that the Plaintiff was capable of telling
a Lie and being dishonest to the court and that the Order of Protection should not have been extended
past the hearing date-
