Judge:

Complainant:

ORDER

August 26, 2020

The Complainant alleged a justice of the peace improperly evicted her.

The role of the Commission on Judicial Conduct is to impartially determine whether a judicial officer has engaged in conduct that violates the Arizona Code of Judicial Conduct or Article 6.1 of the Arizona Constitution. There must be clear and convincing evidence of such a violation in order for the Commission to take disciplinary action against a judicial officer.

The Commission does not have jurisdiction to overturn, amend, or remand a judicial officer's legal rulings. The Commission reviewed all relevant available information and concluded there was not clear and convincing evidence of ethical misconduct in this matter. The complaint is therefore dismissed pursuant to Commission Rules 16(a) and 23(a).

Commission member J. Tyrell Taber did not participate in the consideration of this matter.

Copies of this order were distributed to all appropriate persons on August 26, 2020.

All I want is for this to be corrected and reflect the proper outcome. Due to Covid-19 preventing me to go out and send this in a timely manner it may or, may not arrive late. If any other info is needed Please contact me

Also it took so long to complete and locate documents as well as being left homeless and belongingless due to the Judge failing to proceed over this case accordingly.
