

State of Arizona
COMMISSION ON JUDICIAL CONDUCT

Disposition of Complaint 20-169

Judge:

Complainant:

ORDER

September 24, 2020

The Complainant alleged a superior court judge fails to provide reasoning in his rulings and had worked extremely slow.

The role of the Commission on Judicial Conduct is to impartially determine whether a judicial officer has engaged in conduct that violates the Arizona Code of Judicial Conduct or Article 6.1 of the Arizona Constitution. There must be clear and convincing evidence of such a violation in order for the Commission to take disciplinary action against a judicial officer.

The Commission does not have jurisdiction to overturn, amend, or remand a judicial officer's legal rulings. The Commission reviewed all relevant available information and concluded there was not clear and convincing evidence of ethical misconduct in this matter. The complaint is therefore dismissed pursuant to Commission Rules 16(a) and 23(a).

Commission member Barbara Brown did not participate in the consideration of this matter.

Copies of this order were distributed to all appropriate persons on September 24, 2020.

I am writing to inform about the calibre of one of the judges in the Superior Court of _____ County. Judge _____ and his written decisions are proof that he lacks the ability to make decisions based on the law of Arizona and the constitution of the United States. His written responses do not include logical reasoning and applicable law. His decision making is whimsical and is based on pre-judging without sound reasoning. Based on his written decisions, for the improvement of justice system, he should either be retrained or be released from his job.
