**ORDER**

October 15, 2020

The Complainant alleged a municipal court judge improperly appointed him an attorney.

The role of the Commission on Judicial Conduct is to impartially determine whether a judicial officer has engaged in conduct that violates the Arizona Code of Judicial Conduct or Article 6.1 of the Arizona Constitution. There must be clear and convincing evidence of such a violation in order for the Commission to take disciplinary action against a judicial officer.

The Commission does not have jurisdiction to overturn, amend, or remand a judicial officer's legal rulings. The Commission reviewed all relevant available information and concluded there was not clear and convincing evidence of ethical misconduct in this matter. The complaint is therefore dismissed pursuant to Commission Rules 16(a) and 23(a).

Commission member J. Tyrrell Taber did not participate in the consideration of this matter.

Copies of this order were distributed to all appropriate persons on October 15, 2020.

She treated me unfairly when I sent me latest motion. She was told that I have an attorney, in motion writing. And she sent a motion saying i was indigent. I am a \_\_\_\_\_ at a \_\_\_\_\_ making more money than most people in my \_\_\_\_\_. Her motion of time in court is false and has already been done. She filed a false motion. She has also treated me differently. With my motions. My stepdad is a \_\_\_\_\_. We have money. So with that said. My motion in court by \_\_\_\_\_ is false and can be proven, that I said I have an attorney. And she still motion that i didn't and called me indigent. I am treated unfair. I do have a disability.
