COMMISSION ON JUDICIAL CONDUCT

Disposition of Complaint 20-291

Judge:

Complainant:

**ORDER**

February 10, 2021

The Complainant alleged that a justice of the peace denied her a fair trial, was biased, and violated her rights in a misdemeanor criminal case.

The role of the Commission on Judicial Conduct is to impartially determine whether a judicial officer has engaged in conduct that violates the Arizona Code of Judicial Conduct or Article 6.1 of the Arizona Constitution. There must be clear and convincing evidence of such a violation in order for the Commission to take disciplinary action against a judicial officer.

The Commission reviewed all relevant available information and concluded there was not clear and convincing evidence of ethical misconduct in this matter. The complaint is therefore dismissed pursuant to Commission Rules 16(a) and 23(a).

Copies of this order were distributed to all appropriate persons on February 10, 2021.

Judges implicit biases  
Issues with prosecutors implicit biases charging fees

This judge has denied me a fair and impartial trial . In all phases of the courts trials ,( never had a lawyer to represents me or offered a lawyer to me ) to have a fair trial.

The judge started that I should go to jail without an attorney present. When I'm fearing for my life! . My husband 90 lbs Dog biting me in the head, blood running down my face and man on top me .I'm women of not a fighter. Fearing for my life that night

I'm not guilty and there are no victims here.  
There are document statements dates  
That I didn't do the crime.

The person that call the police was drinking alcohol and his own dog bite him, but I went to jail for Protect myself and fearing for my life.

Still have night mares of all that the judge is doing to me personally and professional . Implicit biases the judge  
Power and background pressure.  
I'm still fearing for my life.  
Thanks for listening
