

State of Arizona
COMMISSION ON JUDICIAL CONDUCT

Disposition of Complaint 21-041

Judge:

Complainant:

ORDER

April 21, 2021

The Complainant alleged a justice of the peace was biased in favor of the opposing party as they were represented by an attorney.

The role of the Commission on Judicial Conduct is to impartially determine whether a judicial officer has engaged in conduct that violates the Arizona Code of Judicial Conduct or Article 6.1 of the Arizona Constitution. There must be clear and convincing evidence of such a violation in order for the Commission to take disciplinary action against a judicial officer.

The Commission does not have jurisdiction to overturn, amend, or remand a judicial officer's legal rulings. The Commission reviewed all relevant available information and concluded there was not clear and convincing evidence of ethical misconduct in this matter. The complaint is therefore dismissed pursuant to Commission Rules 16(a) and 23(a).

Commission member Denise K. Aguilar did not participate in the consideration of this matter.

Copies of this order were distributed to all appropriate persons on April 21, 2021.

I feel that judge _____ has been very bias towards how he handled our case due to the fact that anything we had aruged against the plaintiff complaint the judge took their side and not listening to anything we had to argue or say. I feel that just because theh have an attorney representing them he took their side, i feel that if i would have been able to appeared in court my case would of been handled diffrently.
