**ORDER**

June 30, 2021

The Complainant alleged a superior court judge was biased against him and improperly denied his motions without providing reasons for doing so. The complainant further alleged another superior court judge improperly denied his request for a change of judge for cause.

The role of the Commission on Judicial Conduct is to impartially determine whether a judicial officer has engaged in conduct that violates the Arizona Code of Judicial Conduct or Article 6.1 of the Arizona Constitution. There must be clear and convincing evidence of such a violation in order for the Commission to take disciplinary action against a judicial officer.

The Commission does not have jurisdiction to overturn, amend, or remand a judicial officer's legal rulings. The Commission reviewed all relevant available information and concluded there was not clear and convincing evidence of ethical misconduct in this matter. The complaint is therefore dismissed pursuant to Commission Rules 16(a) and 23(a).

Commission members Louis Frank Dominguez, Joseph C. Kreamer and Delia R. Neal did not participate in the consideration of this matter.

Copies of this order were distributed to all appropriate persons on June 30, 2021.

Judge's Name: \_\_\_\_\_

**Instructions:** Use this form or plain paper of the same size to file a complaint. Describe in your own words what you believe the judge did that constitutes judicial misconduct. Be specific and list all of the names, dates, times, and places that will help the commission understand your concerns. Additional pages may be attached along with copies (not originals) of relevant court documents. Please complete one side of the paper only, and keep a copy of the complaint for your records.

I have been filing Motions on my current case to which Judge \_\_\_\_\_ has been denying and not giving any judicial reasoning behind denying my motions. The Prosecution has filed wrong Motion's to which Judge \_\_\_\_\_ still granted and has shown partial judgment on the prosecution. She has also allowed the prosecution to violate my civil rights, and continues to side with the prosecution even when the prosecution violates the Arizona Rules of Criminal Procedures and to violate my due process clause.

COMPLAINT AGAINST A JUDGE

Name: \_\_\_\_\_ Judge's Name: \_\_\_\_\_

Instructions: Use this form or plain paper of the same size to file a complaint. Describe in your own words what you believe the judge did that constitutes judicial misconduct. Be specific and list all of the names, dates, times, and places that will help the commission understand your concerns. Additional pages may be attached along with copies (not originals) of relevant court documents. Please complete one side of the paper only, and keep a copy of the complaint for your records.

The reason for my complaint against Judge \_\_\_\_\_ is because I placed a motion in to the court's for a Rule 10.1 Change of Judge For Cause. Instead of Judge \_\_\_\_\_ following Rule 10.1(c)(1) which states Promptly after a party files a timely motion under this rule, the presiding judge must provide for a hearing on the motion before a judge other than the challenged judge. Instead of this rule being followed as just stated. Judge \_\_\_\_\_ Ruling Stated "Although Rule 10.1(c) provides that the presiding judge shall conduct a hearing on the motion, a hearing is only required if the Defendant asserts a colorable claim of bias. This is no where in Rule 10.1(c) stating that it is required for the Defendant to assert a colorable claim of bias. To which would make Judge \_\_\_\_\_ Ruling invalid and improper and unsubstantiated in her fact finding. Which is to why I am filing this complaint against Judge \_\_\_\_\_

My civil Rights of A.R.S. Const. Art 2§4, A.R.S. Const. Art. 2§11, A.R.S. Const. Art 2§13, A.R.S. Const. Art. 2§24, and A.R.S. Const. ART. 2§32 have all been violated as well by Judge \_\_\_\_\_ Ruling made on \_\_\_\_\_
