COMMISSION ON JUDICIAL CONDUCT

Disposition of Complaint 21-096

Judge:

Complainants:

ORDER

August 25, 2021

The Complainants alleged a superior court commissioner failed to follow the law in a guardianship proceeding.

The role of the Commission on Judicial Conduct is to impartially determine whether a judicial officer has engaged in conduct that violates the Arizona Code of Judicial Conduct or Article 6.1 of the Arizona Constitution. There must be clear and convincing evidence of such a violation in order for the Commission to take disciplinary action against a judicial officer.

The Commission does not have jurisdiction to overturn, amend, or remand a judicial officer's legal rulings. The Commission reviewed all relevant available information and concluded there was not clear and convincing evidence of ethical misconduct in this matter. The complaint is therefore dismissed pursuant to Commission Rules 16(a) and 23(a).

Commission member Michael J. Brown did not participate in the consideration of this matter.

Copies of this order were distributed to all appropriate persons on August 25, 2021.

¶1 This Court has been duly noticed of Defendant’s Right to have a Jury decide this case. The Judge declined to furnish a jury leaving that responsibility to the Parents per the 10th Amendment. The above mentioned documents have been presented to a Jury and their **unanimous verdict** is as follows:

¶2 **Jury Verdict:** The State has not met the standard of Clear and Convincing evidence that the Parents are dangerous to their children such that the State is compelled to break up this Family. Wherefore: All orders resulting in separation of Parents from their adult child in this case are void and unenforceable. The court has discretion to utilize its own Jury at any time. The Right to a Jury Remains INVIOLATE regardless of the Court’s Discretion.

¶3 This Court now has the discretion to choose any of the following options. Give the Family what they have asked for, authority to direct medical care and protect from food allergies, or Convene the court’s own jury, or Deal with defiance of the US Constitution Art 6 Cl 2 & 3, forfeiture of Judicial Authority, all Orders being Void and Unenforceable.

¶4 7th Amendment – “no fact tried by a jury, shall be otherwise re-examined in any Court of the United States”. No-place does it say “a judicial order may not be re-examined by a Jury”. Only the word “Inviolate” controls in this matter.

I swear and affirm under penalty of Perjury that the contents stated herein are true and complete per ARS Title 13 Chapter 27.
