COMMISSION ON JUDICIAL CONDUCT

Disposition of Complaint 22-161

Judge:

Complainant:

ORDER

March 1, 2023

The Complainant alleged a justice of peace denied him the right to be heard in a garnishment proceeding.

The role of the Commission on Judicial Conduct is to impartially determine whether a judicial officer has engaged in conduct that violates the Arizona Code of Judicial Conduct or Article 6.1 of the Arizona Constitution. There must be clear and convincing evidence of such a violation in order for the Commission to take disciplinary action against a judicial officer.

The Commission does not have jurisdiction to overturn, amend, or remand a judicial officer's legal rulings. The Commission reviewed all relevant available information and concluded there was not clear and convincing evidence of ethical misconduct in this matter. The complaint is therefore dismissed pursuant to Commission Rules 16(a) and 23(a).

Commission member Colleen E. Concannon did not participate in the consideration of this matter.

Copies of this order were distributed to all appropriate persons on March 1, 2023.

I was denied the ability to appear in court to dispute this judgement. I went to the court to dispute the judgement I was not allowed in to the hearing. I was told by the court I needed to pay a fee to go to the hearing. I have no money I am broke so I was ~~denied~~ denied the ability to defend myself. I don't know who this person is and

I have never been shown any proof or details to who these people are, now without being shown any proof to as to who these people are. and I have never had any contact with these people they were given an illegal judgement against me. They are trying to garnish my disability check. my understanding is it's a crime if they garnish my disability check, also the stress is causing me health problems I am pulling the skin of my feet and bleeding everywhere. my doctor says I could lose my feet if I keep doing this.
