

State of Arizona
COMMISSION ON JUDICIAL CONDUCT

Disposition of Complaint 24-049

Judge:

Complainant:

ORDER

June 6, 2024

The Complainant alleged a superior court commissioner made improper rulings in a probate case.

The role of the Commission on Judicial Conduct is to impartially determine whether a judicial officer has engaged in conduct that violates the Arizona Code of Judicial Conduct or Article 6.1 of the Arizona Constitution. There must be clear and convincing evidence of such a violation in order for the Commission to take disciplinary action against a judicial officer.

The Commission does not have jurisdiction to overturn, amend, or remand a judicial officer's legal rulings. The Commission reviewed all relevant available information and concluded there was not clear and convincing evidence of ethical misconduct in this matter. The complaint is therefore dismissed pursuant to Commission Rules 16(a) and 23(a).

Commission members Denise K. Aguilar and Joseph C. Kreamer did not participate in the consideration of this matter.

Copies of this order were distributed to all appropriate persons on June 6, 2024.

Comm. is a Criminal Court judge not a probate judge. She is rude and unethical. She is very biased. My 90 old grand mother is being abused sexually and neglected. She is being kept away from all her family. My Uncle who she is being held prisoner in his home. has sold all her belongings he is on drugs, he has a history of physical abuse towards women. and he molested my cousin. We, The family wanted our grandmother to have a vaginal examine as every woman should have one yearly. she said she didnt need. and she has not been examined vaginally for penetration? hasn't been diagnosed wouldnt even make a decision on where our grandmother should go. ~~where~~ we havent seen her in a year ->

2) want allow no one in her family to see her. her birthday was we did not get to be with her again. Judge is not a good person. she doesn't listen she has no reasoning. she's in abuse of power. The way she talked down me is unacceptable. My grandmother should be in a home for mental care a 24 hr facility where all her family can see her anytime they want!

is a victim.

is forgiving her doctors examined and does not care.

Save my grandmother please

ignores a grieving family and supports rapist.

she does not do her job. she forced my mother to give her address even though

abuse
threatened to harm her

3.) dismissed my mother
protective order because my mother was
in at the time.

was condescending and talked
down to me. its very sad there was
never a care to investigate further or
really try and help or look into
why her family is being kept away
threatened me for finally
speaking on my grandmother's behalf
allowed my uncle

to disrespect me. my grandmother
is being sexually abused and she
dismissed our concerns to
protect the abuser instead
of helping my grandmother
she left her in that situation

This is shameful!

Justice

doesn't know probate
Court + law
