**ORDER**

June 6, 2024

The Complainant alleged improper legal rulings by a superior court commissioner hearing a probate case.

The role of the Commission on Judicial Conduct is to impartially determine whether a judicial officer has engaged in conduct that violates the Arizona Code of Judicial Conduct or Article 6.1 of the Arizona Constitution. There must be clear and convincing evidence of such a violation in order for the Commission to take disciplinary action against a judicial officer.

The Commission does not have jurisdiction to overturn, amend, or remand a judicial officer's legal rulings. The Commission reviewed all relevant available information and concluded there was not clear and convincing evidence of ethical misconduct in this matter. The complaint is therefore dismissed pursuant to Commission Rules 16(a) and 23(a).

Commission members Denise K. Aguilar and Joseph C. Kreamer did not participate in the consideration of this matter.

Copies of this order were distributed to all appropriate persons on June 6, 2024.

 she does the opposite instead of  
 protected my wife. I did sent her

No good action was taken by the judge to ask, to doublecheck the report sent by the Guardian Ad Litem. Why she choosed not to cooperate correctly? Why she does not want to protect the best interest of my incapacated wife victim of medical malpractice? Why she violated my wife, incapacated rights? Because she is <sup>USA</sup> indigent? she is citizen. I am completely Confuse and afraid for this judge to be on my wife case. For this reason I am looking assistance and your intervention for my wife rights and interests incapacated protection.
