Judge:

Complainant:

**ORDER**

August 23, 2024

The Complainant alleged a municipal court judge called the case at the wrong time.

The role of the Commission on Judicial Conduct is to impartially determine whether a judicial officer has engaged in conduct that violates the Arizona Code of Judicial Conduct or Article 6.1 of the Arizona Constitution. There must be clear and convincing evidence of such a violation in order for the Commission to take disciplinary action against a judicial officer.

The Commission does not have jurisdiction to overturn, amend, or remand a judicial officer's legal rulings. The Commission reviewed all relevant available information and concluded there was not clear and convincing evidence of ethical misconduct in this matter. The complaint is therefore dismissed pursuant to Commission Rules 16(a) and 23(a).

Commission member Colleen E. Concannon did not participate in the consideration of this matter.

Copies of this order were distributed to all appropriate persons on August 23, 2024.

My name is \_\_\_\_\_ and my case number is \_\_\_\_\_ the reason for me contacting  
this is because I do not agree the punishment that judge \_\_\_\_\_ has placed upon me all  
because he call at \_\_\_\_\_ in the \_\_\_\_\_ eventhough my court time was not until  
on \_\_\_\_\_ . Also I feel like he is overabruising his position. And he will not appoint me an  
attorney after I requested one.

In reference to a court case that I would like to dispute that's located in Az. On [redacted]  
I was supposed to have a telephonic hearing at [redacted] in the afternoon, when the call did  
not take place I called the court and they informed me the Judge [redacted] called at  
[redacted] in the morning and when I didn't answer he issued a warrant for my arrest. I tried several  
times to make contact with the court but [redacted] always declined my efforts. That's why I feel  
like his actions is a little to extreme. I even called [redacted] and they say as long as his order is  
there they cannot reinstate my license. And right now I am going through the process of burying my  
son.
