Complainant:

**ORDER**

July 23, 2024

The Complainant alleged a municipal court judge failed to dismiss her case in a criminal case.

The role of the Commission on Judicial Conduct is to impartially determine whether a judicial officer has engaged in conduct that violates the Arizona Code of Judicial Conduct or Article 6.1 of the Arizona Constitution. There must be clear and convincing evidence of such a violation in order for the Commission to take disciplinary action against a judicial officer.

The Commission does not have jurisdiction to overturn, amend, or remand a judicial officer's legal rulings. The Commission reviewed all relevant available information and concluded there was not clear and convincing evidence of ethical misconduct in this matter. The complaint is therefore dismissed pursuant to Commission Rules 16(a) and 23(a).

Copies of this order were distributed to all appropriate persons on July 23, 2024.

**COMPLAINT AGAINST A JUDGE**

Name: \_\_\_\_\_ Judge's Name: \_\_\_\_\_

**Instructions:** Use this form or plain paper of the same size to file a complaint. Describe in your own words what you believe the judge did that constitutes judicial misconduct. Be specific and list all of the names, dates, times, and places that will help the commission understand your concerns. Additional pages may be attached along with copies (not originals) of relevant court documents. Please complete one side of the paper only, and keep a copy of the complaint for your records.

The judge is dragging out a case that shouldn't exist. I am being forced to accept charges that are bogus with options of trial or plea. O requested dismissal and was scolded by judge. Courts clerk advised me to file my own motion if I need to request for new counsel. I was scolded by judge again who never addressed me directly and seems very agitated with me on paper in her ruling. This case is old and erroneous. The judge seems very one-sided. I sent documentation showing my current medical history, but that wasn't sufficient. The judge is asking for a written letter from my medical provider. I live \_\_\_\_\_ hours away in \_\_\_\_\_. I do not feel comfortable with what this judge is requesting from me in this matter. The judge seems to be siding with prosecutors against me without any information as to what actually occurred. This case should have been thrown out.
