ORDER

August 23, 2024

The Complainant alleged a municipal court commissioner was extremely rude and called her an inappropriate term.

The role of the Commission on Judicial Conduct is to impartially determine whether a judicial officer has engaged in conduct that violates the Arizona Code of Judicial Conduct or Article 6.1 of the Arizona Constitution. There must be clear and convincing evidence of such a violation in order for the Commission to take disciplinary action against a judicial officer.

The Commission reviewed all relevant available information and concluded there was not clear and convincing evidence of ethical misconduct in this matter. The complaint is therefore dismissed pursuant to Commission Rules 16(a) and 23(a).

Commission member Colleen E. Concannon did not participate in the consideration of this matter.

Copies of this order were distributed to all appropriate persons on August 23, 2024.

between the truth / lie? ^{attested that she was aware.}
 automatically gave Judge ^{AS to the difference)} 2 examples, Judge
 asked what did, my ~~ax~~ do while at her school?
 responded with not much. shuts down when she's
 irritated or uncomfortable. so basically every thing reiterated.
 Too me in the lobby. refused to tell Judge He
 had a nicey demeanor. Meaning he was rude yet. It
 was done nicely in a nasty way. Judge badgered me
 about a date. I received help with the preparation. of all of
 the motions. so I'm unclear as to. What he proclaimed
 to be confused about. After us both getting nowhere. He
 Judge decided to move forward. Judge not only
 declined. To grant the petitions yet. He made his disbelief
 vocal. In a very rude tone. Quite a few times repeating.
 He'd like to set a trial. To get the defendants side. That's
 absurd I'd have preferred. Judge just outright deny
 my request(s). I've never heard of any Judge. Request a trial
 too put restraining orders. In place for a child. Especially
 when my child who. Isn't child biologically
 due to rape. My child is very afraid. of the parties I have.
 Been trying to protect my child from. I didn't wish to appear.
 The courtroom with all of them. Would've been too much
 for my child. Which is why I declined. Plus if I would've
 had. To sit in Judge courtroom. I'd get in trouble
 for contempt. Judge made my child cry. And he called me
 an loud enough for me to hear.
