COMMISSION ON JUDICIAL CONDUCT

Disposition of Complaint 24-142

Judge:

Complainant:

**ORDER**

June 27, 2024

The Complainant alleged a superior court judge failed to act diligently in a family case.

The role of the Commission on Judicial Conduct is to impartially determine whether a judicial officer has engaged in conduct that violates the Arizona Code of Judicial Conduct or Article 6.1 of the Arizona Constitution. There must be clear and convincing evidence of such a violation in order for the Commission to take disciplinary action against a judicial officer.

The Commission reviewed all relevant available information and concluded there was not clear and convincing evidence of ethical misconduct in this matter. The complaint is therefore dismissed pursuant to Commission Rules 16(a) and 23(a).

Commission members Roger D. Barton, Louis Frank Dominguez, and Regina L. Nassen did not participate in the consideration of this matter.

Copies of this order were distributed to all appropriate persons on June 27, 2024.

This is unacceptable that work is not done in a reasonable amount of time.

Having served this country twice and being 100% disabled for your freedom and safety maybe people can be held accountable and get things done rather than make excuses. I made several calls and left messages and no contact.

What was a great country is now a cesspool.

lol.

Here you go.

Was assigned to this [redacted] and then per what I've been told in numerous call it was then transferred to someone else. If this was a legitimate court for the people that would be available for me to see, and of course it is not.

Filed [redacted] It is now [redacted] total weeks. I was informed on the [redacted] day it goes to the judge to sign. Maybe people could possibly do the job they are paid to do.
