COMMISSION ON JUDICIAL CONDUCT

Disposition of Complaint 24-160

Judge:

Complainant:

ORDER

August 30, 2024

The Complainant alleged improper rulings by a justice of the peace in protective order proceedings.

The role of the Commission on Judicial Conduct is to impartially determine whether a judicial officer has engaged in conduct that violates the Arizona Code of Judicial Conduct or Article 6.1 of the Arizona Constitution. There must be clear and convincing evidence of such a violation in order for the Commission to take disciplinary action against a judicial officer.

The Commission does not have jurisdiction to overturn, amend, or remand a judicial officer's legal rulings. The Commission reviewed all relevant available information and concluded there was not clear and convincing evidence of ethical misconduct in this matter. The complaint is therefore dismissed pursuant to Commission Rules 16(a) and 23(a).

Commission member Denise K. Aguilar did not participate in the consideration of this matter.

Copies of this order were distributed to all appropriate persons on August 30, 2024.

Court Case
The Plaintiff in this case () was in the court house for a long long time before the hearing. We sat outside in the car for about mins before. car was already there.
The Plaintiff was not in the Lobby or in the Court room. She was brought in the court room after my wife and I were seated in the court room.
The Plaintiff had been in there for a long time because several pictures and documents were already on the overhead.
Someone put them on the screen before the court session even began.
Once the court hearing started I was not given the appropriate time or help needed to add my pictures or documents into evidence and put up on the overhead. Rushed me while looking through the copies just handed to me from the Plaintiff. I had no time to prepare or clearly look at the exhibits in time.
Quickly passed this part of the hearing. I expected to Recuse himself from the hearing because he had work with a witness in the hearing for approximatley years.
(Animal Control Officer). She submitted an affidavit on behalf of the plaintiff accusing me of all these untrue events that took place during a phone call I had with her prior to this hearing.
did not recuse himself and he should have. I was not given the oppertunity to cross examine and this was accepted into evidence. A few weeks prior to this hearing there was a police call at my house envloving this plaintiff. On the police cam footage claimed that (Our Friend (Animal Control Officer) said these crazy people have been giving the city a hard time. There were only alligations and NO PROVEN FACTS in this case.
