COMMISSION ON JUDICIAL CONDUCT

Disposition of Complaint 24-204

Judge:

Complainant:

ORDER

December 4, 2024

The Complainant made multiple allegations against a superior court judge relating to fraud, improper rulings, improper actions, and ex parte communications as part of a guardianship case and probate case.

The role of the Commission on Judicial Conduct is to impartially determine whether a judicial officer has engaged in conduct that violates the Arizona Code of Judicial Conduct or Article 6.1 of the Arizona Constitution. There must be clear and convincing evidence of such a violation in order for the Commission to take disciplinary action against a judicial officer.

The Commission does not have jurisdiction to overturn, amend, or remand a judicial officer's legal rulings. The Commission reviewed all relevant available information and concluded there was not clear and convincing evidence of ethical misconduct in this matter. The complaint is therefore dismissed pursuant to Commission Rules 16(a) and 23(a).

Commission members Denise K. Aguilar and Delia R. Neal did not participate in the consideration of this matter.

Copies of this order were distributed to all appropriate persons on December 4, 2024.

Subject: Grievance on Judge

Caution! This message was sent from outside your organization.

Hello CJC,

I, _____ am filing this Grievance against Judge _____ via email as I was informed a while back that this is an acceptable medium to file said grievance. If another avenue is preferred, please let me know.

Judge _____ has abused his Judicial Authority to severely Abuse/Exploit my now deceased mom, _____ I have filed all of the necessary evidence to prove said crimes, so Judge _____ solution has been to create a Fraudulent set of Orders and Events that portend that I have been determined a "Vexatious Litigant", but without any Administrative Order and thus without my name appearing on the Arizona List of Vexatious Litigants since _____, when Judge _____ first "Ordered" Vexatiousness.

I am very aware that the CJC has protected _____ in the past that involve the cases that he has presided over that involve me and family members. I am aware that the CJC is probably aware of these very matters that are being filed today and that the CJC would prefer to keep these matters concealed. I am filing this grievance nonetheless "for the record" and for accountability because my documents and filings do not end with the CJC.

If the CJC condones Judge _____ criminal conduct in said cases, then the CJC will be held just as accountable as Judge _____ and others, will be.

I have record of over _____ dollars in assets being Exploited from my Vulnerable and supposedly "Protected" mom, and Judge _____ is directly responsible for _____ Million of that Exploitation. Judge _____ is indirectly responsible for the rest for his refusal to grant my mom a Conservator (and Guardian) when he possessed all of the Evidence of said Millions Exploited.

Thank you,

I will be including a number of Exhibits as well.

Thank you
