COMMISSION ON JUDICIAL CONDUCT

Disposition of Complaint 24-221

Judge:

Complainant:

ORDER

July 30, 2024

The Complainant alleged improper legal rulings by a superior court judge hearing a civil case.

The role of the Commission on Judicial Conduct is to impartially determine whether a judicial officer has engaged in conduct that violates the Arizona Code of Judicial Conduct or Article 6.1 of the Arizona Constitution. There must be clear and convincing evidence of such a violation in order for the Commission to take disciplinary action against a judicial officer.

The Commission does not have jurisdiction to overturn, amend, or remand a judicial officer's legal rulings. The Commission reviewed all relevant available information and concluded there was not clear and convincing evidence of ethical misconduct in this matter. The complaint is therefore dismissed pursuant to Commission Rules 16(a) and 23(a).

Copies of this order were distributed to all appropriate persons on July 30, 2024.

race or gender. I do not think it is normal for a Judge to keep entering Judgments In favor of the defendant that has already been caught Lying. The Judge does not want to make a decision in any of my cases. I have an Injury, I am currently pregnant, I do not have a lawyer nobody wants to take my case. Everybody in the Civil Department at AZ know that the Judge is behaving this way purposely. The civil Department has seen All the exhibit's I attach to the documents I file I have filed brutal Images of my surgical injury. The deputy's at the filing counters have also witness the Image(Exhibits)I file. Judge has binders of some of my exhibits in his office and a flash drive of the babies heart beats. The Judge has no excuse or reason why he does not want to rule the medical Malpractice cases in my favor. The case is fraud and fraudulent schemes. He does NOT want to rule that lawsuit in my favor either. I have also been able to prove the fraud with evidence (Lots of Exhibits). I currently have poor health. I am still being medically neglected by all the defendants. my pregnancy was confirmed on I have a high-risk pregnancy. As far as I know the babies have I also have

The Judge
 has NOT approved any of the default
 Judgments I filed against the defendants in case
 # 3 of the defendants were non-
 served and the Judge did not do anything about
 it. However if it was me hiding from the process
 server I know the court would have NOT let me
 get away with that. In case # the
 defendant continues to do fraud and fraudulent schemes
 and I keep proving it paycheck by paycheck and
 the Judge does NOT want to do anything about

... a severe bacterial infection of the
during pregnancy. Exhibit E. Pages # 1 - 2
in almost 1 year after filing the lawsuits I have
NEVER recieved a letter from the court were the judge
is located or the Judge about a
Court date, hearing, trial, Litigation or a settlement
of any kind at ALL. NOTHING... Judge
is just waiting for me to die like the
defendants. A while back I filed several
protection orders againts some of the lawyers
representing the defendants for harassing me,
and they were ALL denied. The Judge was
going to dismiss my case a few months ago. He
was favoring the defendants lawyers stating that
my case was groundless, baseless and It had
no merit. That statement is a big lie. The
defendants also called me Frivolous and a
vexatious litigant. That statement is also a
lie. I believe the Judge has a
misconception about me and now that I have
proved they were wrong about my injury he
does NOT want to Rule the lawsuits in my favor.

The defendant refused process of service, stating that my lawsuit was filed incorrectly. I filed a default judgment against them in case # [] and it was never approved like the rest of the default judgments on file and ALL the documents I have filed and never approved. There is no just reason for delay. ALL of the defendants have already been caught lying. Judge needs to stop favoring the defendants because of status and stop covering ALL their lies.
