ORDER

September 10, 2024

The Complainant alleged a superior court pro tem judge denied his motions for information in a criminal case.

The role of the Commission on Judicial Conduct is to impartially determine whether a judicial officer has engaged in conduct that violates the Arizona Code of Judicial Conduct or Article 6.1 of the Arizona Constitution. There must be clear and convincing evidence of such a violation in order for the Commission to take disciplinary action against a judicial officer.

The Commission does not have jurisdiction to overturn, amend, or remand a judicial officer's legal rulings. The Commission reviewed all relevant available information and concluded there was not clear and convincing evidence of ethical misconduct in this matter. The complaint is therefore dismissed pursuant to Commission Rules 16(a) and 23(a).

Commission members Roger D. Barton, Louis Frank Dominguez, and Christopher P. Staring did not participate in the consideration of this matter.

Copies of this order were distributed to all appropriate persons on September 10, 2024.

COMPLAINT AGAINST A JUDGE

Name: Judge's Name: Judge

Instructions: Use this form or plain paper of the same size to file a complaint. Describe in your own words what you believe the judge did that constitutes judicial misconduct. Be specific and list all of the names, dates, times, and places that will help the commission understand your concerns. Additional pages may be attached along with copies (not originals) of relevant court documents. Please complete one side of the paper only, and keep a copy of the complaint for your records.

I presented 53 motion's for Information and were denied by Judge , Should this action not have at least warranted an investigation as to why a Defendant is requesting so much information? He stated that I dont send him any more of these please. Why am I fighting the system and Judge's to get information. The freedom of information act says and the Constitution say's I have a right to information, not some, but all of it. I request to represent myself and am denied by Judge . Why? The reason I did it was to get my Motion's answered and they weren't. I must have been board and just decided to write Motion's just Because. This is a clear violation of my rights. Have I not Complied with all of the Court by being there? I am not Guilty until proven Innocent, I am Innocent until proven Guilty. Please Help

Thank You
Sincerely
