Complainants:

ORDER

September 10, 2024

The Complainant alleged a superior court judge pro tem (now retired) failed to dismiss his criminal case after acknowledging he was innocent.

The role of the Commission on Judicial Conduct is to impartially determine whether a judicial officer has engaged in conduct that violates the Arizona Code of Judicial Conduct or Article 6.1 of the Arizona Constitution. There must be clear and convincing evidence of such a violation in order for the Commission to take disciplinary action against a judicial officer.

The Commission does not have jurisdiction to overturn, amend, or remand a judicial officer's legal rulings. The Commission reviewed all relevant available information and concluded there was not clear and convincing evidence of ethical misconduct in this matter. The complaint is therefore dismissed pursuant to Commission Rules 16(a) and 23(a).

Commission members Roger D. Barton, Louis Frank Dominguez, and Christopher P. Staring did not participate in the consideration of this matter.

Copies of this order were distributed to all appropriate persons on September 10, 2024.

In a court date of My Case, Case #
 Judge stood in front of My Attorney and stated that it was what he had been saying all along. When My Attorney Just a few court dates back had stated that He was 100% sure I was Innocent. If her Honor Was sure enough to stand face my Attorney and say I was Innocent. Why would She Continue the case Should She not have demanded that the Prosecutor further investigate? It's been years almost since the beginning of My Case and it continues. Why does her code of Ethics not Prevent injustice? This must be some kind of Twilight Zone in in. I dont understand at the denial of information Not presented to Me as I keep requesting it with no Answer. Where are we some third world Country?
