

State of Arizona
COMMISSION ON JUDICIAL CONDUCT

Disposition of Complaint 24-299

Judge:

Complainant:

ORDER

October 18, 2024

The Complainant alleged a superior court judge was biased by making improper rulings in a family law case.

The role of the Commission on Judicial Conduct is to impartially determine whether a judicial officer has engaged in conduct that violates the Arizona Code of Judicial Conduct or Article 6.1 of the Arizona Constitution. There must be clear and convincing evidence of such a violation in order for the Commission to take disciplinary action against a judicial officer.

The Commission does not have jurisdiction to overturn, amend, or remand a judicial officer's legal rulings. The Commission reviewed all relevant available information and concluded there was not clear and convincing evidence of ethical misconduct in this matter. The complaint is therefore dismissed pursuant to Commission Rules 16(a) and 23(a).

Commission member Barbara Brown did not participate in the consideration of this matter.

Copies of this order were distributed to all appropriate persons on October 18, 2024.

Additional pages may be attached along with copies (not originals) of relevant court documents. Please complete one side of the paper only, and keep a copy of the complaint for your records.

I have been under surgery for the last years. The judge asked tax papers and work history for the last years. I gave her the information she asked for. She spoke to me aggressive and told me threats, its a lie and she wont take it. The affidavit was turned in on time as she asked (28 U.S. Code 144) whenever a party to any proceedings in a district court makes and files a timely and sufficient affidavit that the judge before whom the matter is pending has a personal bias or prejudice either against him or in favor of any adverse party. Such judge shall proceed no further therein but another judge shall be assigned.

This judge is very bias and unethical. This judge also knowingly notice the lies being spoke in the court room and refuse to take my statement or believe anything that I have said. This judge also wants me to lie to the courts about my situation. I refuse to lie to the courts so she is threatening me.

I broke no laws nor have I allowed any intimidations. This judge is ~~unfair~~ bias. Judge is abusing her title.
