COMMISSION ON JUDICIAL CONDUCT

---

Disposition of Complaint 24-326

---

Judge:

Complainant:

---

**ORDER**

October 25, 2024

The Complainant alleged a superior court judge used the same case number for multiple cases.

The role of the Commission on Judicial Conduct is to impartially determine whether a judicial officer has engaged in conduct that violates the Arizona Code of Judicial Conduct or Article 6.1 of the Arizona Constitution. There must be clear and convincing evidence of such a violation in order for the Commission to take disciplinary action against a judicial officer.

The Commission reviewed all relevant available information and concluded there was not clear and convincing evidence of ethical misconduct in this matter. The complaint is therefore dismissed pursuant to Commission Rules 16(a) and 23(a).

Copies of this order were distributed to all appropriate persons on October 25, 2024.

**COMPLAINT AGAINST A JUDGE**

Name: \_\_\_\_\_

Judge's Name: \_\_\_\_\_

**Instructions:** Use this form or plain paper of the same size to file a complaint. Describe in your own words what you believe the judge did that constitutes judicial misconduct. Be specific and list all of the names, dates, times, and places that will help the commission understand your concerns. Additional pages may be attached along with copies (not originals) of relevant court documents. Please complete one side of the paper only, and keep a copy of the complaint for your records.

Plaintiff's 3 Civil cases are filed under ALL 4 Categories. Plaintiff civil cases are under Civil Court Case, Criminal Court Case, Probate Court case. Plaintiff has filed multiple motions in each department. The Court and the Judge \_\_\_\_\_ as well as Judge \_\_\_\_\_ are aware that two parties CANNOT share the same Court Case number in the same court and in two different departments. That is against the law and it is fraud on behalf of the Court and the Judge \_\_\_\_\_ and \_\_\_\_\_ That is the court and the Judges strategy for pro-per self represented litigants NOT to win civil cases. The court and the Judges Attach civil cases to family cases for that reason.
