**ORDER**

November 22, 2024

The Complainant alleged a superior court judge improperly converted a habeas corpus hearing to a change of judge hearing in two criminal matters.

The role of the Commission on Judicial Conduct is to impartially determine whether a judicial officer has engaged in conduct that violates the Arizona Code of Judicial Conduct or Article 6.1 of the Arizona Constitution. There must be clear and convincing evidence of such a violation in order for the Commission to take disciplinary action against a judicial officer.

The Commission does not have jurisdiction to overturn, amend, or remand a judicial officer's legal rulings. The Commission reviewed all relevant available information and concluded there was not clear and convincing evidence of ethical misconduct in this matter. The complaint is therefore dismissed pursuant to Commission Rules 16(a) and 23(a).

Commission member Joseph C. Kreamer did not participate in the consideration of this matter.

Copies of this order were distributed to all appropriate persons on November 22, 2024.

On this Judge breach constitutional law and suspended my right/privilege to a Habeas Corpus hearing and converted it into a charge of Judge hearing Abusing legal process and procuring Abusive Act complained within said habeas corpus complaint/pleading. She also committed misprision or treason being I have a verified complaint of Treason but the Judge denied inspection of said testimony of Treason, ratifying the acts done by the other Judge she is conspiring with in said treason, Judge who she admitted to have assisted in changing the habeas corpus hearing with into a 10.1 charge of Judge hearing. This is a deprivation of basic constitutional rights, the entire purpose of the Habeas Corpus hearing in the first place. This Judge also Breached Private Trust and denied my right to settle and close being I have perfected title and perfected security interest, per law of Trust.
