Disposition of Complaint 24-365

Judge:

Complainant:

ORDER

December 4, 2024

The Complainant alleged a superior court judge violated his rights in a recording from pretrial services in a criminal case.

The role of the Commission on Judicial Conduct is to impartially determine whether a judicial officer has engaged in conduct that violates the Arizona Code of Judicial Conduct or Article 6.1 of the Arizona Constitution. There must be clear and convincing evidence of such a violation in order for the Commission to take disciplinary action against a judicial officer.

The Commission reviewed all relevant available information and concluded there was not clear and convincing evidence of ethical misconduct in this matter. The complaint is therefore dismissed pursuant to Commission Rules 16(a) and 23(a).

Commission members Denise K. Aguilar and Delia R. Neal did not participate in the consideration of this matter.

Copies of this order were distributed to all appropriate persons on December 4, 2024.

Judge

To whom it may concern:

This complaint against Judge _____ is because of the violation of my constitutional rights, specifically the 14th amendment where it is stated.

No state shall make or enforce any law which shall abridge the privileges or immunities of citizens of the United States; nor shall any State deprive any person of life, liberty, or property, without due process of law; nor deny to any person within its jurisdiction the equal protection of the laws.

Judge _____ in denying me any freedoms provided to my person by the Constitution is a direct violation of the Constitution itself.

I was contacted by pretrial on _____ in a recorded call where Judge _____ was denying me my constitutional rights as stated in the recording by pretrial services.

Is this not the United States of America?

Does it not say in the Constitution that the Constitution supersedes any local law?

Am I not innocent until proven guilty?

So why are my constitutional rights being denied to me by judge _____ ?

I still have yet to receive any paperwork that states that I am no longer the legal guardian of _____ from any government institution. So the fact that I am not being allowed to talk to him, and him still legally being my ward. Makes it another violation of my rights. He has been kidnapped by _____ without any paperwork or information given to me. Judge _____ is in direct violation of both _____ and mines's legal constitutional rights.

If judge _____ knows the corruption, conspiracy, and defamation of my name that has occurred by the _____ Court system and the _____ office of _____ County, and continues with this case, it makes him just as guilty as everybody else involved in this corruption.

Sincerely _____
