**ORDER**

January 24, 2025

The Complainant alleged a justice of the peace improperly upheld an order of protection.

The role of the Commission on Judicial Conduct is to impartially determine whether a judicial officer has engaged in conduct that violates the Arizona Code of Judicial Conduct or Article 6.1 of the Arizona Constitution. There must be clear and convincing evidence of such a violation in order for the Commission to take disciplinary action against a judicial officer.

The Commission does not have jurisdiction to overturn, amend, or remand a judicial officer's legal rulings. The Commission reviewed all relevant available information and concluded there was not clear and convincing evidence of ethical misconduct in this matter. The complaint is therefore dismissed pursuant to Commission Rules 16(a) and 23(a).

Commission member Christopher P. Staring did not participate in the consideration of this matter.

Copies of this order were distributed to all appropriate persons on January 24, 2025.

*Conflict of Interest if Judge is related to alleged victim who kidnapped daughter.*

This case involves coercion & kidnapping, which automatically makes this case a "Domestic Threat." I explained to the judge the same information I provided to the Police Department, Sheriff Department & other sources regarding the factual situation. The judge threatens to hold me in contempt in jail if I don't shut up. I was asking how do I have a Order of Protection against me if I didn't live in Arizona, did nothing to the alleged victim; while she kidnapped my daughter from the state of Arizona out of my care and hides out on the Nation for years & tries to get welfare, & more!

In the court room it was very ritualistic. The Elder sat outside side by side like as if to oversee. Over People of men, woman, & children had on Banners on with the names " in front of the judge in the court room. The judge never allowed me to question the judge ask her if my claim is true or not. The judge didn't question about anything. This entire Process has been bias, discriminatory, prejudice based from beginning because they have been blocking her from being served & located for kidnapping because it as a man would have taken a child from a mother for Years and hid out... I would have been in jail already with Amber Alerts. So where is Justice for & I as her father?
