**ORDER**

April 4, 2025

The Complainant alleged a superior court commissioner was unfair and rude during a mental health hearing.

The role of the Commission on Judicial Conduct is to impartially determine whether a judicial officer has engaged in conduct that violates the Arizona Code of Judicial Conduct or Article 6.1 of the Arizona Constitution. There must be clear and convincing evidence of such a violation in order for the Commission to take disciplinary action against a judicial officer.

The Commission does not have jurisdiction to overturn, amend, or remand a judicial officer's legal rulings. The Commission reviewed all relevant available information and concluded there was not clear and convincing evidence of ethical misconduct in this matter. The complaint is therefore dismissed pursuant to Commission Rules 16(a) and 23(a).

Copies of this order were distributed to all appropriate persons on April 4, 2025.

Hello and good evening I am filing a complaint through a written complaint Judge/commissioner in my COT Case was very unfair and very, very hard my lawyer back is currently trying to get judge decision/ruling overturned on appeal. Commission I believe was Unfair in my court case She was very rude and disrespectful and gave me a really harsh Ruling During court she sided more with the Assistant county attorney and was not fair to me or my legal counsel Order a guardian appointed again and Guardianship Knowing that the judge put me under guardianship years ago, did not look at all the facts and the evidence That the defense Presented to her and she had an agenda to target and put me back to the Guardianship ringer knowing that Guardianship just got terminated. She was also Very rude and Was not fair I believe should be removed from the bench due to I hear countless experiences with other people that come before her or COT and Probate.

Warm Regards,
